Re Bureau letter dated 5/5/64 captioned, "EUSTACE MULLINS, MAYNARD ORLANDO NELSON, M & N ASSOCIATES, RM".

Enclosed herewith is a Xerox copy of an envelope addressed to "Chief 'Rat Fink' Commandant, U.S. Military Hq., Augsburg, Germany", and a copy of a hate-type poem sent to the U.S. Military Headquarters in Augsburg, Germany, on stationery of M & N Associates, Box 1785, Chicago 90, Illinois.

In order that the Laboratory can make a comparison of the handwriting on above envelope and typewriting on above mentioned letter, the Chicago Office is also enclosing a photographic copy of an application for a post office box and a photographic copy of a change of address request, both containing the handwriting of MAYNARD NELSON and the original of a typewritten letter dated March 25, 1963, to "Chief Marlin Johnson, FBI, Chicago, Illinois" signed by MAX NELSON.

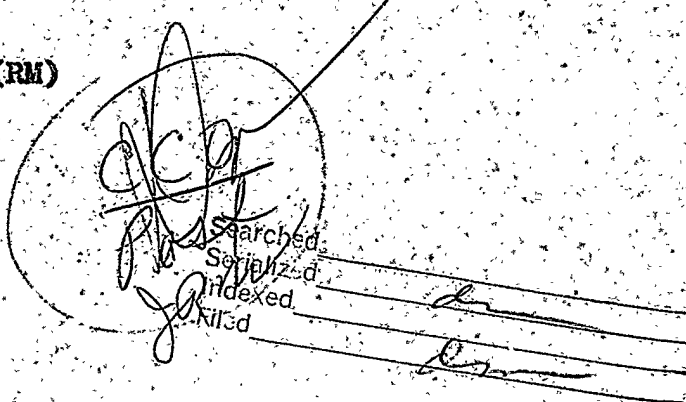

The Chicago Office, upon receiving the results of this handwriting and typewriter comparison, will prepare a letterhead memorandum in this matter suitable for dissemination.

Qc1 Photocopy of envelope postmarked "CHICAGO ILL. MAR 28 '64" bearing handwritten address "Chief 'Rat-Fink' Commandant U. S. Military Hq. Augsburg Germany"

Qc2 Photocopy of accompanying typewritten poem entitled "GOODBYE"

K1 Typewritten letter dated 3/25/63 addressed to "Chief Marlin Johnson, FBI, Chicago," signed MAX NELSON

Kc2 Photographs of Application for Post-Office Box and Change of Address Order bearing hand printing and handwriting of MAYNARD NELSON

Result of examination:

Due to the poor reproduction of line quality on the photocopy, Qc2, a definite conclusion was not reached whether the typewriting on Qc2 was prepared on the typewriter used to prepare K1; however, Qc2 and the typewriting on K1 were prepared on the same style of Royal pica type, spaced ten letters per inch, and some defects in common were noted which indicate that Qc2 could have been prepared on the same typewriter used to prepare K1.

Due to the occurrence of variations which could not be explained on the basis of the known writing available and because of the lack of comparable letter combinations a definite conclusion was not reached whether the handwriting on Qc1 was prepared by the writer of Kc2.

Qc1, Qc2, K1, and Kc2 are returned herewith.
Photographs were made.

Remylet 5/27/64 and FBI Laboratory report dated
6/16/64.

In referenced FBI Laboratory report it was pointed
out that photographs of Qc 1 were made and kept at the Bureau.

EUSTACE MULLINS, Bufile 105-15727, office of origin
Richmond, is also a bomb suspect and one who could have
written Qc 1, mentioned above. The Chicago Office is
enclosing an "Application For Lease" executed and signed
by MULLINS. This is the best handwriting specimen in the
Chicago Office. Other handwriting specimens from MULLINS
have been sent to the Bureau in the past. The Laboratory
is requested to compare the handwriting on enclosure and
handwriting on other specimens at the Bureau for MULLINS
with Qc 1 to determine if Qc 1 could have been executed by
MULLINS.

Chicago Office, upon receiving the results of
this handwriting comparison, will prepare for the Bureau
a letterhead memorandum suitable for dissemination.

SECURITY MATTER - C

On June 16, 1964, the Laboratory, Federal Bureau of Investigation, Washington, D.C., advised that Qc1, a photocopy of an envelope postmarked "CHICAGO, ILL. MAR 28 '64" bearing handwritten address "Chief 'Dat-Fink', Commandant, U.S. Military Cq., Augsburg, Germany," and Qc2, a photocopy of accompanying typewritten memo entitled "COPIES" was compared with K1, a typewritten letter bearing signature of Max Nelsen and Kx2, photographs bearing handprinting and handwriting of Raynard Nelsen.

This examination concluded that due to a poor reproduction of the line quality on the photocopy of Qc2, a definite conclusion was not reached whether the typewriting on Qc2 was prepared on the typewriter used to prepare K1; however, Qc2 and the typewriting on K1 were prepared on the same style of Loyal line type, spaced ten letters per inch, and some defects in common were noted which indicate that Qc2 could have been prepared on the same typewriter used to prepare K1.

Due to the occurrence of variations which could not be explained on the basis of the known handwriting available and because of the lack of comparable combinations, a definite conclusion was not reached whether the handwriting on Qc1 was prepared by the writer of Kc3.

On August 14, 1964, the Laboratory, Federal Bureau of Investigation, Washington, D.C., made a comparison of Kc3, a photocopy of an application for lease dated November 11, 1957, bearing known handwriting and handprinting of Duane C. script writing in Kc3, a definite conclusion was not reached whether the questioned script writing on the envelope Qc1 was prepared by the writer of Kc3.

A confidential source advised in April of 1963 that as of November, 1958, Eustace Mullins and Maynard Nelson established the H & N Associates, Post Office Box 1785, Chicago 90, Illinois. H & N Associates is a "paper organization" set up to distribute anti-Semitic and anti-Negro literature.

In April, 1961, Max Nelson contacted the Chicago Police Department and identified himself as being employed and residing in the Chicago area, and stated he is affiliated with the National States Rights Party, which is headquartered in Birmingham, Alabama. Nelson added that he handles functional propaganda for the Party. Nelson stated that he wrote the National States Rights Party program and added that the Party dealt only with legal politics. He stated his main activity with the National States Rights Party is to attack Communism, communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as governor of the State of Illinois ten years from now under the National States Rights Party political label.

Confidential sources two, three, and four were contacted on August 24, 24 and 23, 1964, respectively, and advised that they could furnish no information relative to H & N Associates. These sources have known Nelson to write hate-type literature in the past but had no knowledge that he, Nelson, typed the letter mentioned above as Qc2 or sent the letter to addressee in Qc1.

Dear Sir:

Enclosed is a publication which I recently received and I am forwarding it to you for your information. This pamphlet contains statements which are somewhat more extreme than one tends to see in print nowadays.

I call your attention specifically to statements on the bottom of page 5 and the top of page 10 referring to the direction of physical terror at non whites in our society. This statement would seem to be directed at millions of people in our society from the top of our national leadership on down. I am also enclosing the envelope which this pamphlet came in to our office.

If we can be of assistance to you at any time please let me know.

Sincerely yours,

UNITED STATES GOVERNMENT

Memorandum

TO : SAC, CHICAGO (105-5587)

DATE: 12/16/64

FROM : SA ROBERT J. DOLAN

SUBJECT: MAYNARD ORLANDO NELSEN
RACIAL MATTERS

It is noted that captioned individual has in recent weeks widely disseminated a 12 page publication entitled "The SAM ADAMS Committee of Public Safety". Numerous copies of this material have been furnished the Chicago Division from various individuals throughout the Chicago area. The material alleges the formation of a new organization within the Chicago area and advises recipients of such material that publishers are available through the organization's postal box. **SPEAKERS**

As a result of this activity on the part of NELSEN and because of prior interest in him and his activities inquiry was instituted to ascertain available information regarding the possible formation of this organization as well as to bring background information regarding NELSEN up-to-date.

On December 10, 1964, JOHN O'CONNELL, Chief of Police, Hoffman Estates, Illinois, was contacted by SA ROBERT J. DOLAN regarding NELSEN. Chief O'CONNELL advised NELSEN continues to reside at 114 Morgan Lane, Hoffman Estates. He stated that arrest records of the Hoffman Estates Police Department do not contain an identifiable record for NELSEN. Chief O'CONNELL stated that NELSEN, whose identity and activities are known to him, has been very quiet in and about the Hoffman Estates area. Chief O'CONNELL ventured the opinion that NELSEN possibly does not desire to be active in the community itself and carries out his organizational activities outside the Hoffman Estates area.

Available vehicle records, Hoffman Estates, Illinois, were reviewed by Chief O'CONNELL and it was determined that NELSEN presently owns a 1961 red Ford, Falcon Futura, Serial Number 176460. No Illinois state license number is available regarding this car; however, the car does have Hoffman Estates vehicle sticker number 1306. In addition, these records show that NELSEN also has a 1960 Ford sedan, white in color, six cylinder, Serial Number 0F41V173136. This car has 1964 Illinois license NE4091. The automobile has Hoffman Estates vehicle sticker number 4711.

The latter vehicle sticker was applied ^{for} by one THEA NELSEN whom Chief O'CONNELL stated is possibly NELSEN's wife. She listed their telephone number as TW 4-5685.

Chief O'CONNELL stated that he has no information whatever regarding the SAM ADAMS Committee of Public Safety nor of any other like organizations in the Hoffman Estates area. A copy of the material presently being distributed by NELSEN was examined by Chief O'CONNELL and he advised that he would be alert for activity in this regard.

Chief O'CONNELL advised that upon issuance of 1965 vehicle stickers in Hoffman Estates, he will contact SA ROBERT J. DOLAN and provide up-to-date information regarding automobiles operated by NELSEN. He indicated in this regard that it will be a requirement of the village this year that car owners have their 1965 Illinois licenses prior to issuance of the vehicle sticker; thus, the Illinois license numbers will also be available at that time.

The above is provided for information in this file.

Inquiry at Chicago to date does not indicate that The Sam Adams Committee of Public Safety does in fact exist. It is the consensus of Chicago police and other sources that this material emits solely from MAYNARD ORLANDO NELSEN, subject of Chicago file 105-5587 and Bureau file 100-351528.

While it is recognized that at this juncture no evidence is available to positively identify NELSEN with the individual behind this activity, there are a number of points which lend credence to this belief:

1. NELSEN is a well known racist and prolific writer of "hate" material. Similarity of style in instant pamphlet with literature produced by NELSEN is noted.
2. The alleged existence of "an organization" headed by NELSEN is not uncommon in his background.
3. Handwriting on envelopes in which the current material was mailed bears striking similarities to available known handwriting of NELSEN.
4. As of 12/30/64 NELSEN was holder of record of Post Office Box 1785, Chicago 90, Illinois. The rental of this box is paid through the current quarter.

In view of above, it is believed that investigation would establish that NELSEN is in fact the source of this material.

Referenced Bureau airtel instructs that persons identified as being connected with this material should be interviewed. Based on available information in NELSEN'S file, Chicago is of the belief that an interview with NELSEN would be unproductive and may well develop as a source of embarrassment to the Bureau. Chicago files contain strong evidence that NELSEN is at best of unsound mind. As the Bureau is aware, the question of NELSEN'S possible commitment was considered during early and mid 1963.

CG 157-497

The Bureau is requested to advise Chicago in light of above information if an interview with NELSEN is desired, should it be determined that he is in fact the source of the material in question.

By separate communication handwriting specimens of MAYNARD ORLANDO NELSEN will be submitted to the FBI Laboratory for comparison purposes.

The November 22, 1964, issue of "The Worker"
contained an article setting forth the following information:

"An outfit calling itself 'The Sam Adams Committee of Public Safety' and dedicated to the rightist retired Major General Edwin A. Walker, with a post office box in Chicago, called for a drive to 'Build a White America' and declared it will wage a 'campaign of propaganda and physical terror' against the administration in Washington it termed 'communist.'"

"The Worker" is an East Coast communist newspaper.

On December 9, 1964, [redacted]

The text of this document reports the existence of an organization "founded to reassert the political functioning of the Whitefolk majority within our United States of America." The policies of this organization are enumerated under such headings as "Delineation of the Nation", "Folk Policy", "Civil Rights Policy", "Economic Policy", "Social Policy", "Foreign Policy", and "Political Policy".

This publication charges that "The Sam Adams Committee of Public Safety will attack the local Trotsky-type politicians of both the Democratic and Republican Parties. It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates."

"It will drive these traitors from office, and reduce them to a position where suicide will be the only salvation for their crimes against their own people, their own society, and their own Civilization."

The last page of this text instructs persons interested to "Write Today...The Sam Adams Committee of Public Safety, M. Nelson, P.O. Box 1785, Chicago 90, Illinois."

By report dated November 30, 1964, the Office of Naval Intelligence, Chicago, Illinois, reported that several Commands in the Ninth Naval District have recently received vicious anti-Negro and anti-Semitic literature from a source familiar to intelligence agencies for the past decade. Material sent through the mails to the Commandant of the Ninth Naval District and to the "Commandant" of the Naval Air Station, Glenview, Illinois, indicates that racist Maynard O. Nelsen has put a new name on his old literature for this latest in a long series of sporadic "educational campaigns" for a society of "Whitefolk". The latest name adopted by Nelsen is "The Sam Adams Committee of Public Safety", (SACPS), which he dedicates to retired Major General Edwin A. Walker.

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

The SACPS material is filled with the expressions which have become recognized as characteristic of the extreme right-racist coalition: "Commissar Eisenhower", "Commissar Kennedy", "Jewish Communism", "captive White citizens." In its twenty-eight point policy statement it advocates such social objectives as limitation of citizenship and civil rights to "our Whitefolk", enforced segregation, elimination of racial intermarriage, racial restrictions on immigration, etc. Its economic policy resembles a Nazi system more closely than any other, with strong federal controls over such things as prices and purchasing power of consumers, and issuance of a "debt-and interest-free currency." Also demanded is "development of proper recreational facilities for the Whiteyouth of the Nation", and complete reorganization of the educational system. Its foreign policy includes the formal incorporation of Canada, Greenland, and the adjacent North Polar regions into the United States. The White Superiority myth is stressed throughout.

In about November 1954 Nelsen started the Realpolitical Institute, intending to create a new political party which would gain a following on the basis of anti-Communism, anti-Semitism, and white supremacy. This "Institute" utilized P. O. Box 1785, Chicago, which Nelsen still uses as a return address.

On December 10, 1964, John O'Connell, Chief of Police, Hoffman Estates, Illinois, advised that Maynard Nelsen continues to reside at 114 Morgan Lane, Hoffman Estates, Illinois. He stated that Nelsen, whose identity and activities are known to him, has been "very quiet in and about the Hoffman Estates area." Chief O'Connell ventured the opinion that Nelsen possibly does not desire to be active in the community itself and carries out his organizational activities outside the Hoffman Estates area.

Chief O'Connell stated that he has no information whatever regarding the Sam Adams Committee of Public Safety nor of any other like organizations in the Hoffman Estates area.

~~CONFIDENTIAL~~

On December 29, 1964, a confidential source advised that Maynard Orlando Nelsen is currently self-employed in furnishing day laborers. He operates from his own business at 1 North Des Plaines Street, Chicago, Illinois.

A second and third confidential source advised on December 29, 1964, that no information whatever has been developed or received by them and that ~~they feel the~~ Sam Adams Committee of Public Safety is not, in fact, an organization actually in existence. Both sources stated they were of the opinion that this is once again an idea of Nelsen's to promote personal beliefs.

Regarding Maynard Orlando Nelsen, a fourth confidential source advised on June 19, 1962, that during the course of a meeting held under the name National States Rights Party on June 16, 1962, presided over by Nelsen, he identified himself as Illinois representative of the National States Rights Party.

A fifth confidential source advised on January 3, 1964, that at approximately that time Nelsen was in contact with representatives of the American Nazi Party at Chicago, Illinois. Nelsen was known to be in agreement with the American Nazi Party's proposed plan to attend the consolidation of right wing projects, looking to a concentrated effort, especially in the forthcoming general elections.

The fourth and fifth confidential sources mentioned above and a sixth confidential source, advised on December 28, 1964, that they are acquainted with Maynard Nelsen and his activities and with the activities of the American Nazi Party and the National States Rights Party. Sources advised they have no knowledge that Nelsen does, in fact, operate an organization such as that named the Sam Adams Committee of Public Safety. Sources stated that based on their knowledge of Nelsen in the past, it again appears he is attempting to publicly voice his own sentiments through a mythical organization.

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time the World," copyrighted in 1961, GEORGE LINCOLN ROCKWELL identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leaders," a Richmond, Virginia, daily newspaper, reported that GEORGE LINCOLN ROCKWELL had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits the use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that ROCKWELL's party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 19, 1963, a source advised that the ANP-WUFENS was organized by GEORGE LINCOLN ROCKWELL at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that ROCKWELL is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

On December 13, 1963, this source advised that in about September, 1960, the ANP initiated the Fighting American Nationalists (FAN) as a front group for the ANP although it has never been a separate organization. He said the FAN name is merely used on occasion instead of the ANP name and there are no separate officials for FAN, the FAN officials being identical with the ANP officials. He stated that GEORGE LINCOLN ROCKWELL has informed him the FAN name was originally used as a device to attract supporters to his organization who might rebel at the use of the swastika and at being labeled as a Nazi.

He added that the ANP has operated under the FAN name throughout the country with the exception of a group operating under the FAN name in Baltimore, Maryland. He said the FAN group in Baltimore is now, and always has been, a separate organization and not a part of the ANP.

On October 3, 1963, [redacted] the admitted

[redacted] advised that the Baltimore FAN, which was organized in the Spring of 1961, has no official connection with the ANP although until December, 1962, it received all of its literature from GEORGE LINCOLN ROCKWELL's ANP.

AMERICAN NAZI PARTY
MIDWEST DIVISION, CHICAGO, ILLINOIS

A source advised on November 14, 1960, that on that date a meeting was held in Chicago, Illinois, for the purpose of organizing a Chicago unit of the American Nazi Party (ANP) which maintains headquarters in Arlington, Virginia. George Lincoln Rockwell, National Commander, ANP, took charge of this meeting.

On May 22, 1962, [REDACTED]

[REDACTED] advised that the ANP in Chicago is to a degree autonomous although it remains subject for final authority on George Lincoln Rockwell and ANP National Headquarters.

On January 15, 1963, [REDACTED]

[REDACTED] advised that the Chicago headquarters of the ANP controlled the activities of the organization in the States of Illinois, Indiana, Iowa, Michigan, Minnesota and Wisconsin.

A second source advised on February 6, 1963, that as of January 31, 1963, the Chicago unit of the ANP became known as the Midwest Division, ANP.

The first source advised on June 3, 1963, that as of that date the Midwest Division, ANP, vacated their headquarters which they had formerly maintained at 2124 North Damon Avenue, Chicago, Illinois, and henceforth meetings of that organization would be held in the residences of the organization's members.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957 issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted] of the NSRP, is the individual who "runs the NSRP."

The new location was leased from Gazzolo Real Estate, 30 North LaSalle Street, and the amount invested in this business was indicated as \$2,000.00. The same officers with same positions, addresses and shares of stock were indicated in the September application.

CG 105-5587

The latter application shows a "Single Ownership or Partnership Form" for MAYNARD NELSEN. On December 29, 1964, spot checks were made in the vicinity of West Madison Street and Des Plaines Street, Chicago, Illinois, in an effort to locate the automobile of captioned individual.

A 1960 white Ford sedan, bearing 1964 Illinois license NE 4091 and Hoffman Estates, Illinois village sticker number 4711, was located in the above vicinity. It is noted that a previous check with police authorities at Hoffman Estates, Illinois, has determined that this vehicle is identical with that owned by NELSEN.

Following the location of NELSEN's car a spot check of logical businesses in the area was made and NELSEN was observed to be working behind the counter of an establishment located near the intersection of Madison and Des Plaines. This firm, bearing a sign "Service Enterprises Circular Distribution", is located on the west side of Des Plaines and is the first establishment north of Madison Street. Observation indicated this business is engaged in the hiring of day laborers.

Education

NELSEN attended Roosevelt High School, Minneapolis, Minnesota, and graduated in January, 1942.

NELSEN applied for admission at the University of Minnesota on December 2, 1941, and was known to be in attendance at that university as of early 1942.

Military Service

NELSEN entered the United States Army September 18, 1942, and was separated on January 14, 1946, under Army Serial Number 17109020. At the time of separation, NELSEN held the rank of T-5.

Activities

NELSEN is self-identified as the Illinois representative of the National States Rights Party which is headquartered in Birmingham, Alabama. He is known to have called a meeting under the name of that organization in June, 1962, at Chicago and delivered a 45 minute talk regarding a group called the Institute of Bio-Politics.

The Institute of Bio-Politics has been characterized from all outward appearances as a "one man organization" formed by MAX NELSEN to provide him with a "platform" from which he can publicly express his personal views.

NELSEN in 1954 is known to have claimed he was "head of a vast anti-Communist underground movement throughout the United States". He indicated he was "manager" of an organization known as the "Realpolitical Institute" and, through this position, is responsible for the preparation and distribution of leaflets from this organization. NELSEN is known to have possessed a leaflet which indicated the purpose of the organization as follows:

"The Realpolitical Institute will sponsor a new, positive type of political action whereby the struggle against internal subversion is taken directly to our own Whitefold, whose minds have been drugged by motion pictures, radio, television and the infiltrated press. A former motion picture theatre will be purchased in the Chicago area and used as a community center where patriotic White men can meet and discuss the crucial questions of the day. Vital political issues will be dramatically presented through programs by loyal American nationalist leaders, speakers, and entertainers."

The Realpolitical Institute reportedly was started by MAYNARD NELSEN in Chicago in approximately November, 1954. NELSEN's purpose was to create a new political party under this name. The organization was anti-Communist, anti-Semitic, and strongly in favor of the white race. NELSEN hoped to gain a

strong following for his party on these issues. The organization, however, failed to "get off the ground" and did not attract interest or a following. There were no known members other than NELSEN himself whose main activity in the organization was the occasional circulation of leaflets in the Chicago area.

In October, 1947, NELSEN was arrested in Minneapolis, Minnesota, on a charge of threatening to do bodily harm. Reportedly this charge was based on NELSEN's having written threatening letters and, at the time of his arrest, plans for a "fascist organization", which was not further identified, were found on his person as well as anti-Semitic fascist literature from the Patriotic Research Bureau. The latter organization was founded in 1938 and was charged with accumulation, compilation, and publishing of anti-Semitic and anti-Communist propaganda.

In May, 1947, NELSEN, while a student of the University of Minnesota, admitted he was the Minneapolis leader of the Democratic Nationalist Party, an organization described as a "hate group" which advocated persecution of racial minorities.

In June, 1955, it was reported NELSEN was a member of the "American Committee for the Advancement of Western Culture", an organization reported to have former top Nazis in its international leadership.

NELSEN formerly resided in Minneapolis and was arrested in April, 1947, after he admitted placarding the University of Minnesota campus with anti-minority posters. In October, 1947, NELSEN appeared in Minneapolis attired in a Nazi uniform. Subsequently, he was placed on probation following a hearing that he be placed in an institution. Judge JAMES KENOE, when discharging NELSEN from parole, reportedly said that NELSEN's "egocentric and inappropriate thinking has disappeared".

In November, 1958, NELSEN and an associate, one EUSTACE MULLENS, a well known racist, established an organization known as the M & N Associates, Post Office Box 1785, Chicago 90, Illinois. This organization is described as a "paper organization" set up to distribute anti-Semitic and anti-Negro literature.

In April, 1961, NELSEN claimed he was affiliated with the National States Rights Party handling functional propaganda for that group. NELSEN claimed he wrote the party program for the National States Rights Party and that, through this association, he expected to be introduced to the public which, in turn, would serve his political ambitions culminating in his election as Governor of the State of Illinois under the National States Rights Party political label.

In March, 1960, NELSEN was described as a "racist", which term he applied frequently to himself and often carried this attitude to the point of being psychotic. NELSEN was described as one who, when he "took off" on his anti-Semitic and anti-Negro tirade, became pale white, highly excitable, nervous, and displayed evidence of uncontrollable facial contortions. NELSEN reportedly owned a .357 Magnum revolver and a five-inch dagger which at that time he reportedly carried and may yet do so.

NELSEN is known to have associated himself with and attended meetings and social functions of the American Nazi Party at Chicago, Illinois, as late as 1962.

Re Chicago airtel to Minneapolis dated 2/24/65.

Chicago is referred to the reports of SA ROY O. STU dated 4/14/47; 5/3/47; and 6/11/47 at St. Paul, Minnesota, captioned, DEMOCRATIC NATIONALIST PARTY, MINNESOTA DISTRICT, MINNEAPOLIS-ST. PAUL GROUP; IS - X. These reports were sent Chicago on 6/25/53 and set forth the activities of MAYNARD O. NELSEN in connection with his mailing a threatening letter to Vice President HUBERT H. HUMPHREY, who was then mayor of Minneapolis.

For your additional information, the 1/6/48 edition "The Minneapolis Star", a daily newspaper of general circulation carried an article entitled, "'Hate' Leader Described as 'Dangerous.'" According to the article, two Veterans Administration Hospital psychiatrists said NELSEN is suffering from a paranoic condition, is hostile, suspicious, and has delusions of persecution by minority groups, although he has above average intelligence. He was described by one of the psychiatrists as "potentially dangerous."

Since NELSEN currently resides in the Chicago Division, it is felt that this information should be disseminated to the U.S. Secret Service.

THE SAM ADAMS COMMITTEE OF
PUBLIC SAFETY, CHICAGO, ILLINOIS;
ATTORNEY GENERAL NICHOLAS DEB
KATZENBACH - VICTIM
Character: EXTORTION

Synopsis: HAYWARD ORLANDO NELSEN, residence 114 Morgan Lane, Hoffman Estates, Illinois, admitted writing and mailing approximately 1000 pamphlets captioned "Build a White America" and that he is the only member of The Sam Adams Committee of Public Safety. NELSEN described self as intellectual Nazi genius, Nazi theoretician and of intellectual violence as opposed to physical violence. Pamphlet is expression of his viewpoints of human relations. NELSEN would like to be arrested on Federal charges because his testimony in court would get front page headlines and give him publicity he deserves after working for twenty years for Nazism. Illinois States Attorney, Chicago, does not plan to prosecute NELSEN.

Date 5/11/65

1

MAYNARD NELSEN was located at Service Enterprises, North Dear Plaines Street, at East Madison Street by SAs ROGER J. GRATTAN and [redacted] who showed their identification as Special Agents of the FBI. He asked if he was under arrest and was advised that he was not under arrest.

b6
b7C

He was advised by SA [redacted] that before he answered any questions or made any statement, he had the right to talk with an attorney or anyone else of his choice. Also, that he was not required to make a statement and that any statement he made could be used against him in court. He stated he understood his right to consult with an attorney and that he had the right to remain silent if he so chose.

b6
b7C

NELSEN said he owns Service Enterprises, a day-labor company, and that he had just completed his day's work at that time, 3:30 PM, after starting work at 5:00 AM. He said that if he were interviewed at his place of business, he would be continually interrupted by many men from nearby child-run asking for handouts of cash. He suggested he be interviewed at a restaurant where he dines inasmuch as the restaurant would empty at the time. Accordingly, the interview was conducted at Cy's Restaurant, North Clinton Street and West Randolph Street.

He was advised that a pamphlet titled "Build a White America" prepared and distributed by the Sam Adams Committee of Public Safety, H. NELSON, Post Office Box 1785, Chicago, Illinois, contained wording possibly constituting a violation of the Federal Extortion Statute.

NELSEN advised as follows:

He is the only member of the Sam Adams Committee of Public Safety and, through typographical error, his name on the pamphlet was misspelled as H. NELSON. He is the sole subscriber to Post Office Box 1785 as has been for several years.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

2
CG 9-3689

He wrote the pamphlet "Build a White America" and had about 1,000 copies printed, most of which he inserted in envelopes he personally addressed by hand and mailed. He estimated about 750 pamphlets were distributed in the United States and the remainder abroad, mostly in Germany. He has no listing of the persons or organizations to whom he mailed the pamphlet. On numerous occasions, he would read in newspapers and magazines about an individual or organization and would mail a copy of the pamphlet to that individual or organization.

He described himself as an intellectual Nazi genius with an intelligence quotient of 155 inasmuch as he has two college degrees. He claimed to be one of the few true Nazis in the United States, noting that his wife's grandfather was one of the original members of the Nazi party in Germany.

Of the pamphlets he mailed to Germany, most of them were sent to friends who were former members of the SS. Among his good friends in the United States is GEORGE LINCOLN ROCKWELL, head of the American Nazi party.

He also described himself as a Nazi theoretician who has been working for more than 20 years promulgating Nazi principles.

He wrote the pamphlet as an expression of his viewpoints about human relations. He distributed the pamphlets to those he considered as his friends for their information and to those he considered as his enemies so they would be warned of his intellectual ability. He is the type of individual who, if he sees a fire in the mind of his enemies, will throw intellectual gasoline on the fire to promulgate his viewpoint.

3
CG 9-3689

He is not a man of physical violence and has never been arrested for any reason. The Central Intelligence Agency, the FBI, the Postal Inspectors and numerous other Federal agencies have extensive records concerning his activities over the past twenty years, and a review of these records will show he is a man of intellectual violence as opposed to physical violence.

He would like to be arrested by the Federal Government because he would then have an opportunity to testify before a grand jury and demonstrate his intellectual ability. Also, when his case was tried in Federal Court, before a judge and jury, there would be newspapermen present and his testimony would make front page headlines thus giving him the publicity he deserves after working hard for twenty years for Nazism.

If the Federal Government, through the FBI, decides to arrest him, he would prefer not to be arrested "like cops and robbers". The FBI would merely have to telephone him at work, or, during non-working hours at his residence 114 Morgan Lane, Hoffman Estates, Illinois, unlisted telephone 894-5635, tell him he was under arrest and he would proceed to the FBI office as a gentleman.

He was unable to furnish additional information.

FEDERAL BUREAU OF INVESTIGATION

Date 5/11/68

HAYWARD NELSEN was located at Service Enterprises, North Des Plaines Street at Madison Street by SA ROGER J. GRATTAN and [redacted] who showed their identification as Special Agents of the FBI. He asked if he was under arrest and was advised that he was not under arrest.

He was advised by SA [redacted] that before he answered any questions or made any statement, he had the right to talk with an attorney or anyone else of his choice. He stated he understood his right to consult with an attorney and that he had the right to remain silent if he so chose.

b6
b7C

He was shown an index card captioned "Open Letter to Communists & Their Sympathizers" containing a message indicating that if anything happened to Senator GOLDWATER, Communists would suffer. He reviewed the card carefully and stated he had never seen such a card before and that he did not have any knowledge of who might have prepared such a card.

He was unable to furnish additional information.

The meeting of the Institute for Bio-Politics, presided over by MAX NELSEN, was attended by a majority of the hardcore members of the American Nazi Party. These men stated they were present to "protect" their leader, GEORGE LINCOLN ROCKWELL, head of the ANP who appeared as a surprise guest of Mr. NELSEN.

This meeting was private and only those who had passed the security guard of the ANP were permitted to enter. MAX NELSEN acted as the chairman for the evening. He was in charge of checking all who sought entrance to the meeting.

NELSEN introduced himself as the Illinois chairman for the National States Rights Party, who were apparently co-sponsors of this meeting. The first part of his speech explained that the Institute of Bio-Politics was a world-wide organization that promoted national racism. The Institute proposes to expose Communism as being Jewish -- and to stop the Jewish plan to mongrelize the families of nations into a mulatto human race that would be controlled by them. His main thesis was that racism is natural and that these instincts will be self-perpetuating now as they have been in the past. Thus there will be a revolt against the Jewish people here in America, in Europe and in Russia.

On 8-23-61 the Security Unit, Chicago Police Department, furnished Investigative Clerk [REDACTED] a typewritten report regarding the private meeting of the National States Rights Party of Illinois, on 8-19-61, at the La Salle Hotel, Madison and La Salle Streets.

b6
b7C

This meeting was private and only those who passed the security guard of the sponsoring organization were permitted to enter. A co-sponsoring organization was the Fighting American Nationalists which is a Chicago based anti-semitic group.

There were approximately 40 persons in attendance.

The main security guard who questioned everyone before they could enter was MAYNARD (MAX) NELSEN (NELSON), the Illinois representative of the National States Rights Party. It was noted that several people were refused entry. At 2020 hours NELSEN asked someone to go down and get the boys off the picket-line and have them return to the meeting hall so that they could get going. They left to counter-picket the African American Heritage Association who were picketing in front of the La Salle Hotel's entrances.

At 2030 hours NELSEN called the meeting to order and gave a short introductory talk on the purpose of the NSRP and its political ideology.

NELSEN introduced the other speakers of the evening who shared the rostrum with him. They were: [REDACTED] ROY FRANKHOUSER, National Officer, NSRP, and [REDACTED] NSRP. All these speakers were anti-semitics and the general gist of their talks was that the Jews have taken over America.

POTENTIAL BOMBING SUSPECT

Rememo SA ROBERT F. PEVAHOUSE 10/25/65.

On 12/28/65 and 12/29/65, spot checks were made in the vicinity of 114 Morgan Lane, Hoffman Estates, Illinois. It was determined that a grey Ford Thunderbird automobile approximately a 1958 model, was parked in the driveway of that address, the current residence of subject. This car bears 1965 Illinois license DE4514. No other vehicle observed.

On 12/30/65, [redacted] Hoffman Estates, Illinois, advised her records show only a 1961 red Falcon two door sedan, 1965 Ill. license DE 4513 and 1960 white two door Ford, 1965 Ill. license DE 4514 listed for NELSON. She stated that records show no other cars registered to him. 1966 Village stickers are required but Illinois licenses must first be purchased. 1966 information on registrants will be available after 3/15/66.

[redacted] on 12/30/65 advised NELSON's wife drives the grey Thunderbird automobile and subject operates a Ford stationwagon, approximately 1960, beige in color with wood paneling, license unknown. Occasionally subject brings home small bus-type vehicle which he uses in his work. She was unable to describe this car. No other vehicles have been seen about the property.

In view of the above, it is recommended this matter be closed and a tickler set for 3/15/66 to determine new registration and possibly description of cars in possession of NELSON.

SUBJECT: MAYNARD ORLANDO NELSEN, Aka.
POTENTIAL BOMBING SUSPECT

Re memo. SA ROBERT J. DOLAN, dated 12/30/65.

On 1/14/66, JOHN O'CONNELL, Chief of Police, Hoffman Estates, Illinois, advised writer that inquiry had recently been made of him by subject regarding the issuance of a permit for NELSEN to carry a gun. NELSEN advised he felt the gun necessary because of his work in that he was now experiencing "trouble with unions". He offered no additional information. Chief O'CONNELL denied NELSEN's request and pointed out to him that a permit issued by the authorities of Hoffman Estates would have no value in Chicago. NELSEN then indicated he would apply for a gun permit in Chicago.

Chief O'CONNELL stated that NELSEN currently operates Leased Personnel Inc., 6 Des Plaines Avenue, Chicago, with mailing address P.O. Box 7416 Chicago 60680. Business telephone 726-9748. The firm is incorporated in the state of Illinois. NELSEN does his business banking with the Mid City Bank of Chicago.

As of 1/14/66 NELSEN continues to reside at 114 Morgan Lane, Hoffman Estates, Illinois.

According to records of the Village of Hoffman Estates, Illinois, NELSEN has the following 1966 Illinois license numbers assigned to him:

BP 4478 issued for a 1960 Grey Ford tudor.

BP 4442 issued for a 1962 White Ford Station Wagon.

BP 4477 issued for a 1964 Yellow Ford Club Wagon.

with Chicago Help Unlimited and who it was determined have a closer day to day relationship with the hiring of day labor on "Skid Row," West Madison Street, Chicago.

On November 26, 1965, SAs [] and [] conducted a criminal pretext interview of []

[] was advised that the name of MATT LARSEN had been utilized by an individual who passed several bad checks and who was suspected of being in the Chicago area. [] checked the records of his company and was unable to locate any record of LARSEN. [] commented, however, that while it was perhaps a mere coincidence, Chicago Help Unlimited, Inc. had purchased some clients from an individual who had used the name of MATT LARSEN. [] stated that some time early in 1965, LARSEN, who had operated a labor company at 6 North Des Plaines Street, had flooded the "Skid Row" area with leaflets advertising his agency. [] said that it was obvious to anyone in the business that LARSEN could not operate profitably and still pay the wages which he offered according to this leaflet. According to [] LARSEN went out of business soon thereafter, and this company had obtained some of the clients of that company. He said that they also had the telephone number formerly utilized by that company which was listed in the name of Labor Service Company. [] had no idea as to the current location of the individual known as MATT LARSEN.

b6
b7C

The current Chicago telephone directory lists the Labor Service Company at 6 North Des Plaines Street, with telephone number 782-6341. A pretext call to that company determined that it was answered "Chicago Help Unlimited." As a means toward resolving this case, it was deemed advisable to ascertain the identity of the prior owner of the Labor Service Company, 6 North Des Plaines, since that individual undoubtedly either is identical with MATT LARSEN or could be in a position to furnish information regarding LARSEN.

~~SECRET~~

~~SECRET~~

CG 65-4880

On November 29, 1965, SAs [] and [] observed that the address, 6 North Des Plaines, is another of the many "day labor" offices located in the "Skid Row" area and was labeled as Leased Personnel, Inc. In furtherance of the original intent stated above, the present owner of the business at 6 North Des Plaines, who identified himself as MAYNARD NELSEN, was interviewed under a criminal pretext which was an attempt to locate a check passer whose true name was MATTHEW or MATT LISCO and which individual had used the name of MATT LARSON as one of his many aliases. At the same time a photograph was shown to NELSEN. While NELSEN appeared to take a defensive attitude at the outset of the interview, he volunteered his complete cooperation when he determined that the Agents were attempting to locate a criminal fugitive. NELSEN identified the photograph which was exhibited to him as resembling an individual known as [] who had frequently worked for his agency and who on many occasions had been sent to work as a truck driver for []

b6
b7C

[] During the course of the interview, NELSEN was asked whether he had been acquainted with the prior occupants of 6 North Des Plaines, since the person sought had utilized this address prior to early 1965 when NELSEN claimed to have started his business. NELSEN obviously did not desire to discuss the prior owner of the business and since he had made what appeared to be a partial identification of the individual sought it was felt that the nature of the pretext did not permit further questioning regarding prior ownership.

The files of the Chicago Division reflect that MAYNARD ORLANDO NELSEN is a psychotic individual and a potential bombing suspect of the Chicago Division and is the subject of a current investigation. NELSEN was most recently reported to the Bureau as the subject of an investigation entitled "MAYNARD ORLANDO NELSEN, Aka; The Sam Adams Committee of Public Safety, Chicago, Illinois, Attorney General NICHOLAS DEB. KATZENBACH - VICTIM; ET AL, EXTORTION," Bufile 9-3689. When interviewed in connection with that investigation, NELSEN described himself as an intellectual Nazi genius who has worked for Nazism for the past twenty years. It is also recorded that MAYNARD ORLANDO

NELSEN was born January 1, 1924, at Minneapolis, Hennepin County, Minnesota, and that as of March 10, 1964, NELSEN operated a company known as the United Labor Service, Inc. with offices at 360 North Clark Street, and 603 West Madison Street, Chicago, Illinois.

In view of the tentative identification of NELSEN as the subject of this investigation it was felt essential that the pretext which had been utilized in the interview of NELSEN should be carried through by interviewing [redacted] regarding the individual [redacted]

b6
b7C

On November 30, 1965, [redacted] was interviewed under the identical pretext with the added information that [redacted] had been sent to the [redacted] by Leased Personnel, Inc. The photograph was shown to [redacted] and based on the information furnished by him [redacted] was positively eliminated as being identical with the fictitious subject. The one significant bit of information volunteered by [redacted] during this interview was that he knew the owner of Leased Personnel, Inc. only as MATT (LNU).

b6
b7C

As a result of the foregoing investigation, the following common factors relating to NELSEN and the subject of this investigation, a MATT LARSEN, have been noted:

In applying for the MATT LARSEN documentation on June 19, 1964, subject advised his date and place of birth were January 1, 1924, Minneapolis, Hennepin County, Minnesota. He also listed his current address at that time as Post Office Box 9097, Chicago 90, Illinois. This post office box was subsequently determined to have been issued to the Chicago Labor Service, 603 West Madison Street, Chicago, Illinois. It is noted that NELSEN formerly operated his labor service company also at 603 West Madison Street. Also as noted above, [redacted] identified the owner of Leased Personnel as an individual known as MATT. It is also felt significant that the use of the ending "sen" is utilized in the spelling of both names, LARSEN and NELSEN.

CG 65-4880

Considering the foregoing common factors with the known psychotic condition and pasted activities of NELSEN, Chicago feels there is sufficient information to force the conclusion that NELSEN is identical with the individual who applied for the documentation as HATT LARSEN. Therefore and since the legitimacy of this individual has been determined, no further investigation is being recommended and this case is being closed.

They arrived at the University at about 8:15 p.m. and leaving the car in a campus parking lot, they walked to the building where the Commander was giving his speech.

They learned later that this building was located in the Womens Section and that it was the Women's Auditorium where the talk was being given.

On the ground floor of the building were a large number of students that were present either out of curiosity or because they were unable to get seats. It was mentioned that the Commander was at that time giving his second address of the night.

The three men walked up the front stairs to the second floor of the building where the entrance to the auditorium was located. There were a number of anti-Nazi, and anti-American Nazism Party, and anti-ROCKWELL signs around, though none of them were of a vicious nature and none used obscene language.

A large number of students were noted milling around outside the entrance to the auditorium, and the small square of floor space formed by the stairs, one wall and the front of the building were several students in a small group. These students were giving all of the others rather hard stares, because of their interest in hearing Commander ROCKWELL speak. Their vision soon fell on [redacted]

b6
b7C
b7D

[redacted] This small group of students were all wearing yellow pieces of paper with the Star of David either penciled or crayoned in.

After a few minutes, the three men returned to the ground floor of the building standing just inside the foyer. They spotted a local mobile TV car, and a police car from the City of DeKalb, Illinois.

They stood there for several minutes and [redacted] and [redacted] spotted a small group of men, three or four, entering the building, who they said they were sure were Jewish, and probably there to cause trouble, if they could. Both [redacted] and [redacted] said that they thought the men were probably members of the JWVA or some similar organization. The two groups of men exchanged some rather hard looks, but their encounter did not go any further than that.

b6
b7C

One of these men, short about 5'6" with a rather prominent nose, wearing a coat with a fur trimmed collar, was noted talking to one of the young male students. This student stood just under 6' in height was very well built, and his general physique was accentuated by the clothing that he wore, in particular the trousers which were a faded white, and looked like they had been painted on him. The man seemed to be giving this student instructions. The student was seen with him two or three times. The student was a reddish blond, his hair needed combing, and he was wearing a beard that looked like it might have taken some time to grow.

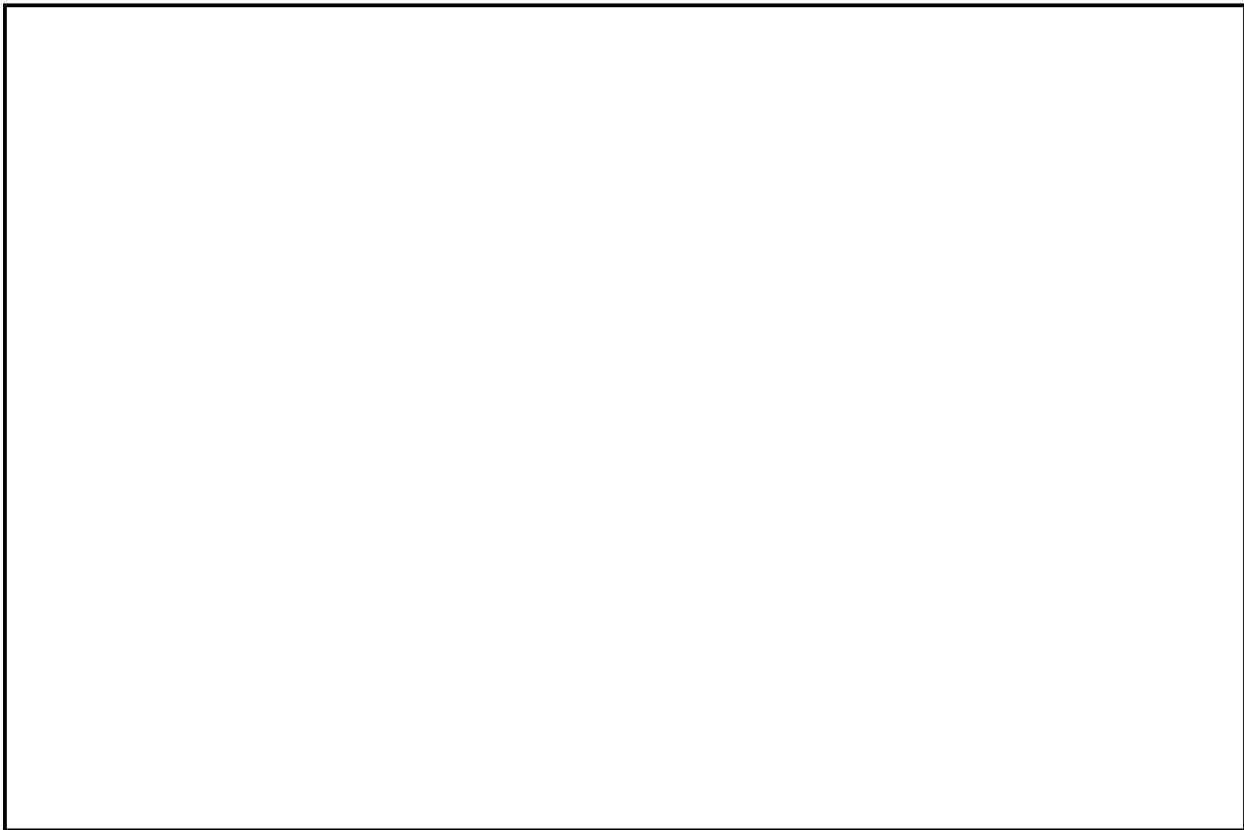

There was some thought that there might be an attempt to break up the speech of Commander ROCKWELL. [REDACTED]

b6
b7C
b7D

He advised them that he did not know how many persons were in the auditorium listening to the Commander's speech, but that it was over filled and that he might have to make a second speech. This man said that he did not know what the seating capacity was, or how many there were in the auditorium at that time. He did say however that the attendance was more than what he had expected and that he hoped that nothing would happen, because he feared that a great many of the people there would never get out.

Under questioning he said that the Commander was getting a rather mixed reaction from the students. He also said that the attendance was much heavier than what they thought it would be. He said that the speech began at 8:00 p.m. and that the students had begun taking seats as early as 5:30 to hear him.

This man said that Commander ROCKWELL was getting across some of his statements to the students, and that a great deal of what he was saying was evidently being listened to rather attentively if not being believed. Some of it was not being accepted, and he also said that he seemed to get them to laugh at various things. His opinion was that Commander ROCKWELL was doing quite well.

b6
b7C
b7D

There were two policemen in the squad car, the one behind the wheel was wearing two silver stars on his shoulder denoting some officer rank, several other police officers were also noted standing around the stage door to the auditorium.

[redacted] the two men in the squad car in conversation regarding Commander ROCKWELL. The two police officers were of the opinion that the Commander was doing rather well in his speech, and they also stated that the auditorium was very heavily crowded. They said that they believed that he was at that time completing his second speech. They also said that there had been some talk of his giving another speech before the night was over. This was somewhat of a surprise. There had been only one speech scheduled at the school that night, and the idea that he would have to give three speeches was indeed a very pleasant surprise.

b6
b7C
b7D

There were several minutes of silence from the auditorium. [redacted]

b6
b7C
b7D

The three men remained near the car for several minutes when Commander ROCKWELL in company with [redacted] [redacted] were seen walking towards the stage door of the auditorium. He recognized the three men and called to them.

b6
b7C

[redacted] and [redacted] walked over to the and spoke with the Commander for several seconds and returned to the car.

b6
b7C

[redacted] that he was going to give another speech and according to what they had been told this would be the third speech of the evening. This was a mistake which was shared by several other persons thinking that he was giving three speeches that evening. In actuality he gave two speeches. The error and the cause of it was not clarified for another two weeks. However, it was determined in a short time that he was making his second speech of the night instead of the third.

b6
b7C
b7D

After several minutes, [redacted] were asked if they would like to go in and hear the Commander's speech. [redacted] had entered the building and returned in a few minutes to get some papers that were in the rental car which [redacted] was moving at that time. [redacted] said that the Commander wanted these papers and [redacted] to take them back to him.

b6
b7C
b7D

[redacted]
[redacted] the rear of the stage area. There were a number of persons there including one of the Northern Illinois University Campus police, [redacted] who had a 4 x 5 press camera with him, several students who later identified themselves as members of the Student Government Body, and some members of the faculty.

b6
b7C
b7D

The Commander was addressing the audience at the time. The auditorium then was filled to seating capacity, and the balcony was over filled, and there were several students on the ground floor section, standing in the aisles near the doors.

The doors were closed and no other students were permitted to enter.

The audience was showing a strong and definitely mixed reaction to the speech. Some of the students were laughing at him, and making pointed remarks regarding some of his statements, and others seemed to have the attitude that the whole thing was a joke. Others were definitely listening to what he was saying. However, regardless of their attitudes in general, one thing appeared rather obvious and that was that they were all listening to him.

He reached a point in his speech where he was talking of persons that would challenge his remarks and degrade his speeches or statements. He said that these people talked only after he had left a school or wherever it was that he had given his speech. He stated that none would challenge him to an open debate on the subject on which he was speaking.

At that point one of the professors of the university stepped onto the stage and in the midst of thunderous applause and cheering, introduced himself to Commander ROCKWELL and challenged him to a debate.

Commander ROCKWELL accepted the challenge. His main theme of his speech that evening was that Communism is Jewish. The professor smiled and asked if he would like to talk on the Ideals of Americanism. There was more cheering and applause to this. Commander ROCKWELL remained completely adamant. He said that his topic was on a certain subject, and that he was more than willing to debate on that subject, and on that subject alone, and that he would not be sidetracked. He also said that he was willing to return to the school if so desired at a future date and debate on any subject. He told the audience that if he could be proven wrong he would openly admit it, but that he did not think this would occur.

In his continued talking about communism being Jewish, he mentioned the spies ROSENBERG and the professor cut in at that time with a nice piece of timing and stated that the judge that had sentenced them was also Jewish. This brought a loud round of applause and some cheering.

Commander ROCKWELL agreed to this and stated that a former member of his own organization, and a member of the Ku Klux Klan, DAN BURROUGHS, had also been a Jew and that he had been driven to suicide by Jewish persecution.

There was another interruption when one of the students walked onto the stage and announced that there was a 10:30 p.m. curfew for the women at the university, and that since they were using the Women's Auditorium, that the speech would have to end and that the building would have to be cleared to follow the curfew.

There was a good deal of objection raised by this from the students themselves.

The speech was stopped for a time while the Commander was trying to restore order and announce that he had no intention of breaking any university rules. This caused a break of several minutes in the speech. It was finally announced that the speech would be allowed to continue and that the curfew would be waived for that night.

This was another of the many interruptions which Commander ROCKWELL had to contend on this particular evening. It was learned later that there were several more during his first speech of the evening.

After the announcement, Commander ROCKWELL extended his thanks to those responsible and continued his speech.

One of the young women students in the group backstage remarked that she was very glad that someone had enough sense to lift the curfew. She stated that she had regarded it as being ridiculous for quite some time and that she intended to take the matter up with the Student Government in the very near future.

She was in the company of a young man, both of whom were taking notes during the speech, and who, judging from their conversations were either part of a committee taking notes on the speech or were with the school newspaper.

Both of them were wearing the Star of David drawn on a piece of yellow paper pinned to the front of their clothing. As they got ready to leave, the young man unpinned his and put on his topcoat, and asked the young lady if she was going to pin hers onto her coat. She something about don't be silly, yanked hers from the front of her blouse and dropped it onto the floor. The young man laughed, rolled his into a ball and followed suit. They then left the backstage area together.

It was later learned that over one half of the students were wearing these small emblems or badges at the time that the speech started. [redacted] the first speech was over the auditorium the aisles in the auditorium and the floors outside were littered with hundreds of these where students had either dropped or thrown them. [redacted] that it was funny to notice how fast these were discarded by the students, once the Commander got started.

They finally had to present what amounted to a formal gripe to the faculty to get the job done. If memory serves he used the expression "Bitch session". He said that there had been several other speakers at the school and that some of them had been persons who either were communists or who had communist leanings, and that the students, with the aid of one of their Faculty Advisors, finally demanded that they be allowed both sides of the political extremes, so that they could make up their own minds as to what was right and what was wrong.

The young man thought it over for a few seconds, and stated that there was a good deal that the Commander said that he, and he was quite certain, many other students agreed with. Some of what he said they questioned and some of what he said they either discarded or regarded as being a little silly. [REDACTED]

The problem as it is known is that for some time Chicago building inspectors have been attempting to gain entrance to the Party Headquarters at 1314 West Ohio Street to make an inspection. They have not gained entrance as yet. There has now been a public notice in a Chicago newspaper of a suit by the City against the Headquarters and members. [redacted]

Another attorney's name has been mentioned as one who would perhaps lend legal advice in this regard. This is OSCAR HARMON, with offices in the Loop, who is MAX NELSON's attorney and has affiliations and interests in the Right Wing.

It is believed by certain Party members that it is the City's intent to inspect the premises, then close the building down.

The above speakers and the literature passed out at the above meeting condemned HUAC hearings, the war in Viet Nam and the recent obtaining of an injunction by Chicago's Mayor Daley which limits future civil rights demonstrations in the City of Chicago. The speakers felt that Mayor Daley's action was an unconstitutional act against the civil rights movement and the right to dissent.

At the above demonstration there was a minor incident which involved hecklers from the American Nazi Party (ANP) who went into the crowd and denounced the meeting and speakers as "communists". These hecklers were removed by the police and no arrests were made.

A source, who has furnished reliable information in the past, on August 20, 1966, furnished substantially the same information as above. In addition source advised he observed [redacted] standing near and observing the proceedings. However, West was not taking any active part in the demonstration.

AMERICAN NAZI PARTY OF THE WORLD UNION OF
FREE ENTERPRISE NATIONAL SOCIALISTS, ALSO
KNOWN AS THE GEORGE LINCOLN ROCKWELL PARTY

In his book "This Time The World," copyrighted in 1961, George Lincoln Rockwell identified himself as Commander, American Nazi Party of the World Union of Free Enterprise National Socialists (ANP - WUFENS), Arlington, Virginia.

The April 4, 1963, issue of "The Richmond News Leader," a Richmond, Virginia, daily newspaper, reported that George Lincoln Rockwell had, on the previous day, again applied for the American Nazi Party to be chartered in the State of Virginia, but this request was turned down by the Virginia State Corporation Commission. This action was taken pursuant to an act of the 1962 Virginia Assembly which prohibits use of "Nazi" or "National Socialism" in a Virginia charter. This article further pointed out that Rockwell's Party is presently chartered in the State of Virginia as the George Lincoln Rockwell Party.

On August 14, 1964, a source advised that the ANP - WUFENS was organized by George Lincoln Rockwell at his residence in Arlington, Virginia, on February 26, 1959, as an international "National Socialist" movement based on the German Nazi Party headed by Adolf Hitler. He added that Rockwell is the dominant force and personality in this party; that he is espousing a "line" of hatred against the Jews and Negroes; and that he is seeking, through speeches, distribution of literature and picketing, to establish a cohesive and dominant political party in the United States and in foreign countries.

According to the "Stormtrooper's Manual," an official publication of the ANP, the phases of ANP struggle for power are fourfold, namely, first "to make ourselves known to the masses"; second, "the dissemination of our program and truth about the Party"; third, "organizing the people who have been converted to our propaganda"; and fourth, "the attainment of power through the votes of the newly-won masses."

CHICAGO COMMITTEE TO DEFEND
THE BILL OF RIGHTS

The Chicago Committee to Defend the Bill of Rights (CCDBR) maintains headquarters in Rooms 901-903, 431 South Dearborn Street, Chicago, Illinois.

A source advised in July, 1960, that Richard Criley, then a member of the Civil Liberties Commission of the Communist Party (CP) of Illinois, met with key leaders of the CP and was authorized by the CP to form a new organization with broad mass support so long as the new organization would protect the Party interests.

This source advised in October, 1960, that on October 28, 1960, Criley reported to the CP leadership that the CCDBR had been organized. He outlined its aims and purposes as being to obtain mass support to abolish the House Committee on Un-American Activities (HCUA) and to defend Smith Act and Taft-Hartley victims. He said there would be no formal affiliation with any other national organization having the same purposes. The CP leadership agreed with the general direction of the CCDBR as outlined by Criley.

A second source advised on October 31, 1960, that the CCDBR was formally organized on October 26, 1960, with Richard Criley as Executive Secretary after he motivated organizing the meeting of October 26, 1960.

A third source advised on May 11, 1966, that the original stated purposes for the CCDBR continue to be adhered to, with CRILEY continuing as the motivating force behind the Committee. The Board of Directors, however, now includes many individuals in the religious, educational and labor fields who are not known as CP members.

FAIR PLAY FOR CUBA COMMITTEE,
CHICAGO CHAPTER

A source advised in October, 1960, that the Chicago Chapter of the Fair Play for Cuba Committee (FPCC) was formed during the summer of 1960 at Chicago, Illinois, under the direct guidance and leadership of Richard Criley, a member of the State Committee, Communist Party (CP) of Illinois.

A second source in August, 1960, furnished a leaflet entitled, "What Is Really Happening in Cuba?" distributed by the FPCC in Chicago. The aims and purposes of the FPCC as set forth in this leaflet include the following: "To disseminate the truth, to combat untruth; to publish and distribute factual information which the United States mass media suppresses. In general, to contribute to foundations for peace, friendship, and understanding between ourselves and the Cuban people." The leaflet reflects the FPCC plans to accomplish these aims: "By mailing of informational bulletins; organizing public meetings and forums; providing speakers, movies, and slides for meetings of interested organizations, placing ads in newspapers; to visit Cuba and see for themselves what conditions really are."

A third source advised on March 9, 1964, that there has been no activity of the FPCC in Chicago since late November, 1963, and for all intents and purposes the organization is defunct.

The mailing address for the FPCC, Chicago Chapter, is Post Office Box 4474, Chicago 80, Illinois.

FAIR PLAY FOR CUBA COMMITTEE

The April 6, 1960, edition of "The New York Times" newspaper contained a full-page advertisement captioned "What Is Really Happening in Cuba," placed by the Fair Play for Cuba Committee (FPCC). This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961.

On May 16, 1963, a source advised that during the first two years of the FPCC's existence there was a struggle between Communist Party (CP) and Socialist Workers Party (SWP) elements to exert their power within the FPCC and thereby influence FPCC policy. This source added that during the past year there had been a successful effort by FPCC leadership to minimize the role of these and other organizations in the FPCC so that their influence as of May, 1963, was negligible.

The SWP has been designated pursuant to Executive Order 10450.

On May 20, 1963, a second source advised that [redacted] was then formulating FPCC policy and had indicated that he had no intention of permitting FPCC policy to be determined by any other organization. This source stated that [redacted] believed that the FPCC should advocate resumption of diplomatic relations between Cuba and the United States and should support the right of Cubans to manage their revolution without interference from other nations. W.E.B. DU BOIS CLUBS OF AMERICA (DCA)

A source has advised that on October 26-27, 1963, a conference of members of the Communist Party (CP), including national functionaries, met in Chicago, Illinois, for the purpose of setting in motion forces for the establishment of a new national Marxist-oriented youth organization which would hunt for the most peaceful transition to socialism. The delegates were told that it would be reasonable to assume that the young socialists attracted into this new organization would eventually pass into the CP itself.

A second source has advised that the founding convention for the new youth organization was held from June 19-21, 1964, at 150 Golden Gate Avenue, San Francisco, California, at which time the name W.E.B. DuBois Clubs of America (DCA) was adopted. Approximately 500 delegates from throughout the United States attended this convention. The aims of this organization, as set forth in the preamble to the constitution, are: "it is our belief that this nation can best solve its problems in an atmosphere of peaceful coexistence, complete disarmament and true freedom for all peoples of the world, and that these solutions will be reached mainly through the united efforts of all democratic elements in our country, composed essentially of the working people allied in the unity of Negroes and other minorities with whites. We further fully recognize that the greatest threat to American democracy comes from the racist and right wing forces in coalition with the most reactionary sections of the economic power structure, using the tool of anti-Communism to divide and destroy the unified struggle of the working people."

Over the Labor Day weekend, 1965, the DCA held a conference in Chicago, Illinois, and a new slate of officers was elected to the National Executive Committee (NEC) of the DCA. Since Labor Day, 1965, identities of those serving on the NEC has varied; however, according to a third source as of May, 1966, thirteen of the fifteen members of the NEC were members of the CP in the San Francisco Bay area.

As of July, 1966, the headquarters of the DCA was located at 180 North Wacker Drive, Chicago, Illinois.

ANP Chicago Unit

It was recently learned that MAX NELSON, on September 10, 1966, gave to the Chicago Unit of the ANP, 1314 West Ohio Street, a 72 cup coffee pot for their use at Headquarters.

- II. The voiding of the theory of ex post facto...that an individual can be held responsible to a 'law' created after his participation in events resulting in some supposed injury, real or imaginary. The individual has no defense.
- III. The guilt by association theory was invoked so that an individual would be condemned as criminal because of mere membership in that particular group condemned as 'criminal'. He is considered guilty even though the actions taken by the group were without his assent or direct participation. The individual member has no defense.
- IV. The use of an individual as a symbol of an entire group or organization, for purposes of retaliation against the specific group, which for one reason or another cannot be taken against the group itself. This position places collective responsibility on the head of one individual, who has no defense.
- V. The use of mental and physical torture against the individual so as to induce in him a feeling that he is guilty through advance punishment, before his public exposure in the courtroom. This method of breaking down the will and personal integrity of the individual before trial leaves the accused with no defense.
- VI. The use of intensive public accusations in the media of communication, i.e. pre-trial by the press, radio, and TV commentaries. This one-sided preparation of the public mind for the coming trial again leaves the individual with no defense.
- VII. The use of the 'panem et circenses', the circus environment of the Roman Coliseum. The accused is denied dignity by being publically displayed in a glass cage, as in the case of Adolf Eichmann in Israel. Manufactured audience disturbances are created during the 'trial' process so as to whip-up the feelings of all participants against the individual, who again has no defense.

And so, after centuries of burial, the Pandora's box of barbarism has been opened by those who have the most to lose and the least to gain by this revival of the Lex Talionis. And, this is characteristic of the JEWISH CONSENSUS in its short-sightedness and lack of historical perspective for self-survival.

It is significant that the JEWISH CONSENSUS suffers certain specific deficiencies as herein outlined, and they can be accounted for by analogy (the unceasing, suicidal attack against the host) with the behavior patterns of parasites as known and observed in the insect, plant, and animal worlds.

The true understanding of the JEWISH CONSENSUS must begin with the scientific study of parasitism. This, and this alone, is the FINAL SOLUTION TO THE JEWISH PROBLEM.

LEX TALIONIS

The Law of Retaliation

The Nuremberg 'trials', resulting in the 'hangman's justice' of Judge Michael A. Musmanno of the post-World War II period, was recently followed by the kidnapping and 'trial' of Adolf Eichmann in Israel.

Today, the 'chickens of retaliation' have come home to roost. Captured American airmen have been accused as 'war criminals', and paraded before the howling mobs of North Vietnam. The Statute of Nuremberg is unequivocal about this matter. According to its Article 8, the fact that the accused has acted in accordance with the orders of his government or his superior does not clear him of responsibility. It follows that these captured airmen have no right to benefit by the Geneva Convention of August 12, 1949, on P.O.W.'s, because they are not prisoners of war but actually criminals.

How could this perversion of basic law come about?
Let us examine the behavior of the JEWISH POWER STRUCTURE.

The ancient law of retaliation of Roman jurisprudence, the Lex Talionis, was revived by the world-wide JEWISH CONSENSUS immediately after World War II. With deliberate malice, the American occupation authorities executed the legitimate German government leaders, while permitting negro savages to murder, loot, and rape the defenseless inhabitants in an orgy of revenge, under the direct command of General Eisenhower. The legal history of the Western World, so carefully created and refined for centuries for the protection of the individual, was destroyed at Nuremberg by this JEWISH CONSENSUS, itself a prime recipient of the benefits of this Western Civilization.

There is an old saying that, whom the gods would destroy, they first make mad. And surely, the JEWISH CONSENSUS is insane... individually and collectively they act against their better interests for survival in a world which is becoming increasingly intolerant of 'minorities'.

To summarize, the Nuremberg 'trials' produced the following specific 'precedents' for future application by victors bent upon revenge:

- I. The individual members of a legitimate government are held responsible for the actions of their government, even though their oath of loyalty places them under the absolute control of their leaders, without recourse and appeal for orders they may consider dishonest or inhuman. The individual is held accountable to the victor alone, and has no defense.

OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation.

FRANCIS PARKER YOCKEY

ES SIND NUN FÜNF JAHRE her, daß Francis Parker YOCKEY durch rote Mörderhand, die Feinde und Zerstörer der westlichen Zivilisation, sein Leben lassen mußte! Dieser brillante Philosoph gab noch vor seinem Tode beinahe seherisch eine Antwort darauf: "Meine Feinde schätzen mich höher ein als meine Freunde!"

WÄHREND des Zweiten Weltkrieges diente er in der US-Armee und wurde als Jurist nach Beendigung des Krieges dem Nürnberger Tribunal zugeteilt und erkannte gemeinsam mit Senator TAFT, daß dieses Lynch-

gericht zu Nürnberg hintergründigen Interessen diene, vor allem aber zum Nutzen des Weltkommunismus. Yockey, Senator Taft, und einige unbestechliche Männer, unter ihnen auch ein Richter, wandten sich gegen den plumpen Versuch, das Massaker von Katyn den Deutschen zuzuschreiben, wie es die roten Lyncher wünschten. Yockey wurde deshalb in Gewahrsam genommen und zurück nach den USA gebracht.

YOCKEY WUSSTE, daß das Komplott von Nürnberg und seine Vollstreckung mit Billigung des Präsidenten aus "höheren Erwägungen" zur Durchführung gebracht wurde und daß man darauf ausging, ein Exempel zu statuieren.

IN seinem Buch "IMPERIUM", das später zum Teil boykottiert und verbrannt wurde, setzte er Spenglers kritische Untersuchungen fort und zeigte die Verhaltensweise eines Kultur-Organismus und seiner geistigen Kräfte auf. Er zeigte die Heuchelei der Kulturzerstörer auf und verwies auf die ewigbleibenden Kräfte der Volkseigenschaften, eines notwendigen volklichen Bewußtseins und der nationalen Idee. Er kritisierte eingehend die verbrecherischen Bemühungen, Europa nach rein wirtschaftlichen Gesichtspunkten, unter Aufgabe aller volklichen, kulturellen, biologischen und gesellschaftlichen Gegebenheiten zu vereinen, wie es den Vorstellungen der Manager zum Einweltstaat entspricht. Er verwies nochmals auf Spengler, der in seinen pessimistischen Betrachtungen die Weltstädte London, New-York, Berlin in einer Dschungelvegetation versinken sieht und ein Ende wie das Reich der Sumerer und anderer hoher Kulturen annimmt. Yockey sieht in der kapitalistischen Mentalität, jeden Wettbewerb nur auf dem Reichtum aufgerichtet, ein Absinken zum Animalischen. Er sieht eine Zeit kommen, in der Menschen ihr Letztes werden einsetzen müssen, um der fortschreitenden Zerstörung und Zersetzung der westlichen Länder und ihrer Kulturen Einhalt zu gebieten. Seine Analysen der Fiktionisierungsbewegungen und Koexistenzpolitik ergeben ein klares Bild subversiver Taktik um den Westen reif für die Weltrevolution des radikalen Marxismus zu machen. Daß dahinter der offene brutale Terror barbarischer Ostkräfte steht, erklärt sich von selbst.

DAS Werk "IMPERIUM" erklärt auch Zusammenhänge zwischen dem Alten Testament und dem Marxismus und daß sich die hohen Kulturen des Westens weisungsgemäß zu Tode beten sollten. Die Waffe der Massensuggestion als Kontrollmittel für Lenkung und Beherrschung, die Abhängigkeitspolitik für Produktionsmittel für die Verbraucher und des zwangslegalisierten Diebstahls an Volksvermögen, angewandt von den subversiven Kräften, vor allem auch des Weltkommunismus, kann nur verstanden und erkannt werden, wenn man den Dingen mit offenen Augen auf den Grund geht. Dann sind auch ihre Auswirkungen in der Zersetzungskampagne der westlichen Welt gegenüber klar erkennbar. Der barbarische Stoß zur Macht um jeden Preis nimmt keine Rücksicht auf die Werte einer Kultur und auf volkliche Gemeinschaften und Eigenarten, die derzeit das Gesicht der Welt prägen. Das Animalische, die Sexualwelle und der Materialismus sind die Zersetzungs-komponente. Der grobe Kreuzzug für "Demokratie und Menschlichkeit" wird als heuchlerische Phrase der Internationalisten entlarvt.

IM GEGENSATZ zu Spengler war Yockey Optimist. Er forderte die Einheit der westlichen, weißen Welt und gab seiner Überzeugung Ausdruck, daß es einer geeinten weißen Welt ohne weiteres gelingen werde, die Horden aus Asien und - wie er sich ausdrückte - die Söldlinge von "Kolonial-Amerika" abzuwehren und die hohe Kultur des Westens zu retten. -

A rabble rouser is defined as a person who tries to arouse people to violent action by appealing to their emotions, prejudices, etc.; a demagogue.

Under the new criteria this will include, for example, black nationalists, white supremacists, Puerto Rican nationalists, anti-Vietnam demonstration leaders, and other extremists. The fact that an individual is on the Security Index or the Reserve Index does not preclude his inclusion on the RRI.

Within 30 days of the date of the SAC letter, each office must submit a letter under the RRI caption to the Bureau setting forth the identities of the individuals residing within the field divisions who are being recommended for inclusion on the RRI under the expanded criteria. In accordance with existing instructions, an original and 4 copies of a separate write-up should be submitted regarding each individual recommended utilizing the sample format previously furnished each office.

Individual case files listed are to be reviewed and consideration given as to whether these subjects meet the new expanded criteria. Individual write-ups in accordance with above SAC letter, are to be prepared on those who meet the criteria for inclusion with an overall cover letter to be submitted by 12/27/67.

Other squads to whom tickler copies are designated should immediately take similar action for individuals who appear to meet the new expanded criteria in view of their extremist or demonstration type activity.

Knowledge of Weapons, Explosives
and Related Matters

On March 1, 1960, the following source, [redacted] b7D
[redacted] advised that NELSEN has often expressed himself to be a racist to the point of being psychotic. Source explained that when NELSEN "takes off" on his anti-Jewish and anti-Negro tirades, he becomes pale, white, highly excitable, nervous, shakes and shows evidence of uncontrollable facial contortions. Further, source advised he has seen a loaded .357 magnum revolver and a 5" dagger in NELSEN's possession and learned from conversation with NELSEN that he carries these weapons in his briefcase and has the briefcase with him at all times.

(CG T-2, 3/1/60)

The January 6, 1948, edition of the "Minneapolis Star", a daily newspaper of general circulation, carried an article entitled, "'Hate' Leader Described 'Dangerous'". According to the article two Veteran's Administration Hospital psychiatrists said NELSEN is suffering from a paranoic condition, is hostile, suspicious and has delusions of persecution by minority groups although he has above average intelligence. He was described by one of the psychiatrists as "potentially dangerous".

The following source, [redacted] b7D
[redacted] has advised that MAX NELSEN was attempting to recruit individuals into an organization referred to as the Institute of Bio-Politics, also frequently referred to as the National States Rights Party, (NSRP), and NELSEN spoke of the two organizations interchangeably. NELSEN has mentioned a

"Security Unit" and a "police force" in his organization and has stated he and his associates have recruited some ex-members of the American Nazi Party (ANP), to form the nucleus of a security guard. NELSEN indicated he was currently looking for a place in which to hold a school where individuals on his "police force" would be able to receive training in the use of small arms, bombing and the inciting of race riots looking toward the day when the "organization" takes over. Source considers NELSEN to be a psychopath in that as NELSEN puts it, "When the day comes there will be mass murder and the shooting down of people in front of places like Roosevelt University." According to source, NELSEN lives in the past, believing that the best era was the 1920's when organized crime was dominant. NELSEN has mentioned his awareness of "plastico" a dough explosive used in demolition work and also his awareness of other means of causing delayed explosions such as uncorking a bottle of liquid carbide in a closed room with a lighted candle to explode the carbide when sufficient fumes have reached it. NELSEN has commented on the bombing of synagogues in the past stating that his organization is not interested in bombing empty buildings and if they bomb one it will be filled with people.

Passport Records and Travel Information

On April 6, 1966, SA [] U.S. Department of State, Federal Building, Chicago, Illinois, advised that on that date Mr. MAYNARD O. NELSEN, 114 Morgan Lane, Hoffman Estates, personally appeared in the U.S. Department of State Office and declared he wished to register as an agent of a foreign power; namely, East Germany.

b6
b7c

NELSEN stated he was forming a new group called the Leipzig Trade Fair Inc., of North America. NELSEN stated that he would be an officer of this group, together with several associates of his in Chicago.

Additionally, NELSEN stated that he was a Nazi and if Nazi Germany existed today, he would be there. However, since no Nazi Germany exists, we are stuck with him.

NELSEN added that he doesn't want his writing activities curtailed and requested to know from complainant that if he (NELSEN) does register as an agent of a foreign government, will this curtail his writing activities. Complainant in reference to this request, sent the subject to the U.S. Department of Commerce, Room 1485, Federal Building, Chicago.

The files of the Passport Office, U.S. Department of State, (USDS), were reviewed on June 17, 1966. These files disclosed that Passport Number B-536076 was issued to MAYNARD ORLANDO NELSEN on September 25, 1961. This passport was not valid for travel to Albania, Cuba, and those portions of China, Korea and Vietnam under communist control.

The application dated September 19, 1961, for this passport listed NELSEN's date of birth as January 1, 1924, at Minneapolis, Minnesota. His permanent address was 114 Morgan Lane, Hoffman Estates, Roselle, Illinois. His parents were listed as NELS NELSEN, and INGA DJUVIK both born in Norway. He was married to THEA KAPPL on November 14, 1953; his wife was born on October 19, 1926, at Regenstauf, Germany.

According to this application the subject planned to leave New York City in November, 1961, for an indefinite stay abroad. He planned to visit Portugal, Spain, Europe, Africa and Argentina. In the space on the application to note the "purpose of trip," he set out the following:

"The business of the Institute for Biopolitics,
P.O. Box 1785, Chicago, Illinois."

This passport was renewed on or about September 24, 1964, at Chicago, Illinois, for proposed travel to Germany, for the purpose of business. In his renewal application he stated that he intended to depart from Chicago, Illinois, in January, 1965. This application contained no additional pertinent information.

It is to be noted that a passport when issued is valid for a period of three years and renewable for two additional years. Therefore, Nelsen's passport issued in 1961, renewed in September, 1964, is currently valid.

Nelsen is described on the above application
as:

Height	5'6"
Hair	Blond
Eyes	Blue
Marks	"Whiteman --- not a mongrel"
Occupation	"Biopolitician"

Source stated that concerning the plans of MAX NELSEN to set up a foreign organization and his anticipated plan to travel never materialized and was not followed through by NELSEN. Source indicated to his knowledge NELSEN has had no foreign travel in connection with the above.

Interviews of MAYNARD ORLANDO NELSEN

On January 13, 1961, MAYNARD ORLANDO NELSEN was interviewed by Agents of the FBI and advised in part as follows:

NELSEN stated he was a specialist in Jewish problems and was the manager of M&N Associates, Post Office Box 1785, Chicago 90, Illinois, adding that EUSTACE MULLINS was the director of M&N Associates. He stated that M&N Associates published in November, 1958, "The Atlanta Report", which set forth the views of MULLINS and himself and disproved the "frame-up" of the four or five boys arrested in connection with the bombing of the temple in Atlanta, Georgia. He added that all of these boys were members of the Nationalist States Rights Party (NSRP) of which he also is a member.

Concerning the NSRP, NELSEN stated this Party consisted of individuals whom he described as a "hybrid type of Nazis". He stated the work of the NSRP was almost over and as to show how this was true, commented on the fact that the NSRP was responsible for President Elect KENNEDY getting less than 50% of the total popular votes in the recent national election. He stated the NSRP is the third largest political party in the United States and polled over 200,000 votes in the nine states in which the NSRP and its affiliates were on the ballot. In some states he stated this Party was listed as the States Rights Party, however, the NSRP assisted them with both literature and propaganda. The purpose was to create a "theoretical basis of a racist nationalist state".

NELSEN commented in regard to the bombings of the Jewish temples no "non-Jew" was ever convicted of

CG 105-5587

such a bombing and "no Jew" was ever injured in any of these bombings, reiterating that these bombings were a "fund raising gimmick"; that since the Jewish race in the United States was not persecuted from without, it was persecuted from within, that is self-created persecution in order to keep its members in line, create sympathy for the Jewish religion and raise funds.

Pertaining to the NSRP, NELSEN stated there is no rigid organization; that it is an informal organization, and holds conventions when the need arises, at which conventions officers are elected and that conventions are held approximately twice a year. He stated the last NSRP convention was held in Chattanooga, Tennessee, a week after the last national election and although he was not present, he was represented at this convention. He declined to state where the NSRP funds come from, stating this was "top secret".

NELSEN stated that the feeling of the NSRP concerning the Jewish people was that they are not a religion but were a race. He stated that those of the Jewish race were not included as Caucasians and were parasites. He stated the Jewish people on the beaches at Tel Aviv were being financed by the Jewish people in Chicago.

He stated the Jewish people raise money by such things as the Atlanta bombing, adding that the rabbi in Atlanta, Georgia, had to publicly ask the people to stop sending money as they had raised in excess of \$200,000 after the bombing.

NELSEN likened the NSRP to the Black Dragon Society in Japan and stated that he felt the NSRP would gain national recognition in the United States within the next ten years. He described NSRP members as "native American racial nationalists".

CG 105-5587

EUSTACE MULLINS, mentioned above, is described hereinafter.

On May 5, 1965, NELSEN was also interviewed by Agents of the FBI and at this occasion advised in part that he, NELSEN, was the only manager of the Sam Adams Committee of Public Safety, M. NELSON, P.O. Box 1785, Chicago, Illinois. He is the sole subscriber to P.O. Box 1785 and has been for several years. This interview was prompted by the receipt by the then Attorney General NICHOLAS KATZENBACK of a copy of a pamphlet of the Sam Adams Committee of Public Safety.

He also stated he wrote the pamphlet "Build a White America" and had about 1,000 copies printed, most of which he inserted in envelopes he personally addressed by hand and mailed. He estimated about 750 pamphlets were distributed in the United States and the remainder abroad, mostly in Germany. He has no listing of the persons or organizations to whom he mailed the pamphlet. On numerous occasions, he would read in newspapers and magazines about an individual or organization and would mail a copy of the pamphlet to that individual or organization.

He described himself as an intellectual Nazi genius with an intelligence quotient of 155 inasmuch as he has two college degrees. He claimed to be one of the few true Nazis in the United States, noting that his wife's grandfather was one of the original members of the Nazi party in Germany.

Of the pamphlets he mailed to Germany, most of them were sent to friends who were former members of the SS. Among his good friends in the United States is GEORGE LINCOLN ROCKWELL, head of the American Nazi Party.

He also described himself as a Nazi theoretician who has been working for more than twenty years promulgating Nazi principles.

He wrote the pamphlet as an expression of his viewpoints about human relations. He distributed the

pamphlets to those he considered as his friends for their information and to those he considered as his enemies so they would be warned of his intellectual ability. He is the type of individual who, if he sees a fire in the mind of his enemies, will throw intellectual gasoline on the fire to promulgate his viewpoint.

NELSEN said he is not a man of physical violence and has never been arrested for any reason. The Central Intelligence Agency, the FBI, the Postal Inspectors and numerous other Federal agencies have extensive records concerning his activities over the past twenty years, and a review of these records will show he is a man of intellectual violence as opposed to physical violence. NELSEN said he hoped he would be arrested by Federal authorities so he would benefit from the publicity.

II. AFFILIATION WITH HATE
ORGANIZATIONS

National States Rights Party (NSRP)

A characterization of the NSRP will be found in the appendix section of this report.

A source advised on May 10 and 11, 1960, that he had received information that MAYNARD NELSEN intended to participate in activity of the NSRP in Birmingham, Alabama, in June, 1960. NELSEN did not mention the specific activity but indicated it would be "the first major demonstration."

(CG T-4, 5/10-11/60)

Source advised that NELSEN had indicated to him recently that NELSEN was continuing plans for a demonstration in Birmingham, Alabama, in June, 1960, of the NSRP and that certain literature had been mailed out to persons in Birmingham, Alabama.

(CG T-4, 5/23/60)

Issue number #27, dated March, 1961, of "The Thunderbolt", official organ of the NSRP contained information concerning the speaking tour of [redacted] of the NSRP. The bulletin indicates in part "March 29 - Chicago, Illinois, all from the area, including Milwaukee and Detroit are urged to attend this conference contact MAX NELSEN, P.O. Box 1785, Chicago 90, Illinois."

b6
b7C

In April, 1961, MAX NELSEN contacted the Chicago Police Department and identified himself as being employed and residing in the Chicago area, and stated he is affiliated with the National States Rights Party, which is headquartered in Birmingham, Alabama. NELSEN added that he handles functional propaganda for the Party. NELSEN stated that he wrote the NSRP program and added that the Party dealt only with legal politics. He stated his main activity with the NSRP is to attack Communism, communist organizations and individuals, especially in the Chicago area. He stated that in this manner he expects to be introduced to the public which will serve his political ambitions culminating in his election as governor of the State of Illinois ten years from now under the NSRP political banner.

MAX NELSEN attended a meeting held at the Atlantic Hotel, 316 South Clark Street, Chicago, Illinois, on April 3, 1961. This was a meeting to hear [redacted] of the NSRP, and NELSEN, according to source, appeared to be closely associated with [redacted] and gave the appearance of being in charge of the operation as far as details in Chicago were concerned. About 35 people were present including persons recognized as being affiliated with the Fighting American Nationalists, (FAN), and the ANP.

MAYNARD O. NELSEN attended a meeting of the NSRP of Illinois on August 19, 1961, at the LaSalle Hotel, Chicago. A co-sponsoring organization was FAN. Approximately 40 persons were in attendance. NELSEN was the main security guard and questioned everyone before he would allow them to enter. NELSEN called the meeting to order and gave a short, undirected talk on the purpose of the NSRP and its political ideology. All speakers were anti-Semitic and the general gist of the talk was that the Jews had taken over America.

(CG T-6, 8/23/61)

Subject: Civil Rights for White American Citizens

The REALPOLITICAL INSTITUTE, a research and policy formulation group of the Democratic Nationalist Party, presents a program of *Democratic Nationalism* . . .

1. Immediate protection of the local customs, traditions, and civil liberties of the Southern states, in accordance with established and accepted patterns of racial segregation.
2. Immediate adoption of Federal segregation legislation to reduce racial tension and prevent recurrent race riots in the Northern, Eastern, and Western states—practical, far-sighted measures must be taken to restore the racial self-respect and harmony which form the basis of genuine national welfare.
3. Immediate re-establishment of segregation in the U. S. Armed Forces, to restore the troop morale and combat efficiency so vital in the face of world-wide Communist aggression.
4. Creation of a National Repatriation Commission to encourage the voluntary emigration and resettlement of non-assimilable Whites and non-Whites through financial and economic assistance.

The REALPOLITICAL INSTITUTE represents 130 million White American Citizens prevented from any effective choice of candidates by the disloyal Jewish Consensus.*

OUR AMERICAN DESTINY

It is our American destiny to bring about the unity of the Whiteman's World. The life-or-death threat of an aroused Asiatic world under the domination of Communism affords the challenge which will close the ranks of the Whiteman's World in an earth-shaking battle for survival.

We Whitemen of America can force world-history to take the pathway of our will—and thus carry forward our destiny—only by holding to those values which have elevated us to our present high place in history; chief among these values is the recognition that we must play our role not merely as so-called human beings but as Whitemen, deeply conscious of our American destiny.

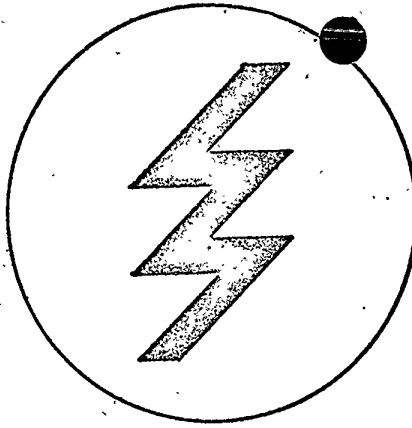

The Whitemen of the coon-skin cap and long rifle, and the brave White warriors and womanfolk of the covered wagon days, who conquered and settled this great continent of ours, were but carrying forward a mighty destiny. Our American destiny is, in a very real sense, the entire Whiteman's destiny. It is our bound duty to carry it onward into the future.

In the days ahead, of heavy threats demanding heroic replies, our Whitefolk brothers and sisters of distant lands will look to us for leadership. The Whiteman of Australia, as he bravely stands at the most advanced western frontier of our White World, must know that we are with him. The Whiteman of South Africa, as he fights for survival in the very heart of the black world, must know that his destiny is a part of our destiny.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation and the assimilation of those individuals capable and worthy of forming a part of us.

Realpolitical

Institute

P. O. Box 1785 - Chicago 90, Illinois

Dear Sir:

We want your support of our group because you are a member of the Whiteman's Managerial Elite which has been made politically ineffective by the disloyal Jewish Consensus. You as a manager have produced the technological advances upon which our civilization is based, but a conspiracy has prevented you from fulfilling your political destiny as a Whiteman.

We have the answer to the Communist Manifesto. We work for an "implosion" . . . the internal release of the dynamic political energies of our own Whitefolk. We have our own revolutionary idea . . . the Whiteman's Managerial Revolution.

This is a personal opportunity for you to do something—will you give us your anonymous support? We shall be happy to meet you personally, here in Chicago, if you so desire. Write us today—the safety of your family and your future and perhaps your very life are at stake.

Our deep consciousness of being Whitemen and Whitewomen is as old and primitive as our hills. Forsake this precious bond and we will perish. With this thought in mind it is obvious that we cannot step from nation-consciousness to world-consciousness overnight. Whatever supra-historical consciousness we are able to create in the future, as a quickening influence in the lives of our American Whitefolk, must be based upon, if it is to survive, our common-denominator consciousness of being Whitemen and Whitewomen.

Geography and space must be pushed aside and the Whiteman must be viewed as a living and breathing biological and spiritual organism, composed as a great Whiteman's Community of individuals in agreement on the basic things, ever-expanding by procreation.

THE INNER ENEMY TODAY

Why does a White man hate his own kind, and why does he wish to destroy his own kind by inter-marriage with non-Whites?

The answer lies in our educational system and in our political system, both of which are operated not only for the degradation of the White man, but for the degradation of all races to a sub-human, animalistic level.

Our present-day educational system produces people who are stripped of all race-pride and moral courage, and filled with self-hatred and disgust. A twelve year course of carefully planned and executed brainwashing in the public schools destroys inner pride and self-identity. The products of this process enter into public, adult life as racial zombies, able to fulfill a robot role in a factory or office, but unable to exercise or live up to their duties as White men and White women ... to bear the responsibilities of maintaining and furthering Western Civilization.

The most vicious of these robots enter into our political system. They welcome each new act of individual self-degradation as a gadge of honor.

These parliamentary politicians hate Western Civilization, because this means living up to and maintaining the standards above and beyond individual self-interest and greed.

When these 'democratic' politicians act to tear down the last vestiges of our great Western Civilization, which has been built at such cost by so many generations of White folk, a few of us are incensed and outraged.

But most people accept as a matter of course the dictates of these politicians; that our Civilization must be destroyed, and that we, as a sort of half-negroids, must sink to a lower form of existence, so represented by the squalid multi-racial nations of Haiti and Brazil. This is called the 'equalization of living standards'.

But there are a small minority of us who are still White men! We are not robots ... we have not been affected by the brainwashing in the public schools ... and we despise our traitor-politicians!

We, a historic few, say to this parliamentary scum ...

WE WILL FIGHT!

We are of the same stock as the legions of Caesar, the Vandals who sacked a degenerate Rome, and the sailors of Sir Francis Drake!

Well we know the role which history has prepared for us.

Although we have been born into a moral and spiritual squalor worse than that of any nation in world history, we arise from this filth to assert ourselves as White men!

Our enemies now are not Indians, disease, or wild beasts ... they are the mass of non-Whites, and by non-Whites we mean all those who think and act as negroids even if they have a white skin.

Nothing can save our Western Civilization except the harshest measures against these non-Whites, by means of propaganda and physical terror.

There can be no mercy for those who have abandoned their own racial identity and traditions through self-corruption and individual greed.

THE WHITE MAN'S REVOLUTION

Little Rock, Arkansas ... Concord

Oxford, Mississippi ... Bunker Hill

Again, the American White man has asserted himself against a foreign dictatorship whose occupation center is Washington, D. C. This foreign control of our United States of America began in 1933 with the anti-White regime of Franklin D. Roosevelt. Using World War II to consolidate its power, this anti-White group disguised by the term 'liberal' has now over-reached itself, by the passage of the so-called 'Civil Rights Bill'. This anti-White organization exhibits two faces to the outside world ... the Democratic and Republican Parties. Commissar Eisenhower of the Republican Party used guns and bayonets against the White folk of Little Rock, and Commissar Kennedy of the Democratic Party used guns and bayonets against the White folk of Oxford. By doing this, the mask of 'liberalism' lies the naked power of Jewish Communism ... determined to destroy the Western Civilization of the White man.

This use of naked power against the White folk of America is an open admission of defeat by the Soviet-style Supreme Court, and the Federal Judiciary, both controlled by anti-White Jews. This exercise of naked power means that the Federal Government no longer represents the White folk of the United States of America. Now, at last, the Federal Government openly admits that it is a foreign occupation dictatorship using armed force to maintain its edicts and directives upon the captive White citizens.

**Communism
and
Race - Mixing
are JEWISH**

THE WHITE MAN'S REVOLUTION IS NOW HERE!

As Samuel Adams did in 1775, this is more than a prelude!

Across America from New York City to Los Angeles, from Minneapolis to New Orleans, Committees of Public Safety are functioning to alert all White citizens. There is no longer need for patience, nor for small, safe talk. The danger is immediate!

The menace within is Jewish Communism with its absolute control of the Federal Judiciary, Justice Department, and the Armed Forces. The menace without is Russian and Chinese Communism with tentacles of subversion in the State Department, the national mediums of the radio, press and TV ... with penetration in depth in many educational systems from the elementary grades to the State Universities.

The 'liberals' of today are the loyalists (traitors) of 1776!

A great danger to us is the use of the Panem Et Circenses (bread and circuses) technique of the 'liberal' propaganda machinery.

Using direct force against us, combined with planned distractions imposed on our White folk, these tyrants hope to blunt the hatred against themselves. The press, radio, and TV unendingly shift emphasis from our internal problems to baseball games, Cuba, East Berlin, Viet Nam, etc.

Our task, as activists of the Committees of Public Safety, is to apply constant and ever-increasing personal pressures against these 'liberals', traitors, and Jews.

Our views must be direct, positive, and leave no doubt of our basic positions.

The stakes are our very lives ... the survival of our White folk!

THOSE WHO ARE NOT WITH US ARE AGAINST US!

RACE NATIONALISM

The biopolitical foundation of the DEMOCRATIC NATIONALIST PARTY is RACE NATIONALISM.

RACE NATIONALISM is the only alternative for Western Civilization to both the slow death through degeneration by Jewish 'democracy', and the quick death at the hands of Asiatic Communism.

The old 'nationalism' was racially indiscriminate, and racially destructive. Economic injustice resulted in class warfare and the spread of Communism. The Jewish Consensus became powerful on both Finance Capitalism and the Communism it bred, for their only concern was the power which either system provided for them. RACE NATIONALISM stands for the corporate social and economic welfare of the Nation. It places the Nation above the class, special-interest group, and the individual in the spirit of 'all for the Nation, and the Nation for all'. It believes in private ownership within a framework of national regulation ... this is social and economic nationalism.

Its racialism is complementary to its social and economic nationalism, by giving unity a foundation of kinship, binding man to man with a blood connection, seeking the preservation and improvement of the racial heritage. It seeks the service of the part in the greater service of the whole.

RACE NATIONALISM has no conflict between the interests of the Nation and the Race. Instead, the interests of the one are to be sought in the interests of the other.

We can look back to a racial unity pre-dating the division and coagulation into nation-states in order to acquire the vision to look forward to a community of brother-states in the future.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY

Patriotic Political Action
of the
DEMOCRATIC NATIONALIST PARTY

This year must be the year of political counter-attack against the insidious forces of diversion and subversion within our midst.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY has been founded to reassert the political functioning of the White folk majority within our United States of America.

Since the turn of the century, our American political scene has been dominated by various factions and self-interested minority pressure groups whose goals have generally not included the promotion of the general welfare and the survival of the Nation.

This has produced an intolerable political situation within, and an impossible foreign posture without, our United States of America.

The fragmentation of our American political life by Trotsky-type politicians of both the Democratic and Republican Parties is directly responsible for the continuing victory of International Communism.

There is only ONE SOLUTION ... rebuild the political organization of the ineffective White folk majority, and concentrate its united will upon the political questions of the day.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will attack the local Trotsky-type politicians of both the Democratic and Republican Parties.

It will conduct a campaign of propaganda and physical terror against the guilty individuals and their associates.

It will drive these traitors from public office, and reduce them to a position where suicide will be the only salvation for their crimes against their own society, their own people, and their own Civilization.

It will organize public meetings, publish hard-hitting exposes of the minority diverters and subverters in our midst, issue directives to its members and affiliates with reference to specific issues and problems, and will directly sponsor individual candidates for any and all public offices.

THE SAM ADAMS COMMITTEE OF PUBLIC SAFETY will pre-select the candidates for public offices so that the individual voter-member of the White folk majority will be able to make a positive decision at the polls.

It will aim at the complete control of the status-making machinery within our local society.

The Executive Committee will assign a speaker to appear before your group for detailed exposition of our plans and methods, at no obligation, and in complete confidence.

NATIONAL SOCIALIST WHITE PEOPLE'S PARTY,
Also known as the American Nazi Party,
American Nazis, the World Union of
Free Enterprise National Socialists,
the George Lincoln Rockwell Party

On September 8, 1967, a source advised that the American Nazi Party - World Union of Free Enterprise National Socialists (ANP - WUFENS) was organized by GEORGE LINCOLN ROCKWELL at Arlington, Virginia, on February 26, 1956. It was based upon the concept of an international "National Socialist" movement, as espoused by the German Nazi Party, which was headed by ADOLF HITLER. The ANP-WUFENS supports and follows the line of hatred against Negroes, Jews, and communists, through speeches, published literature, demonstrations and publicity-seeking devices for the purpose of seeking a legitimate dominant political party within the United States and in foreign countries.

"The Richmond News Leader" issue dated April 4, 1963, published daily at Richmond, Virginia, stated that this organization is chartered in the State of Virginia as "The George Lincoln Rockwell Party" and that the Virginia Assembly prohibits the use of "Nazi" or "National Socialism" in a Virginia-chartered organization. As of January 1, 1967, the official name of this organization was changed to "National Socialist White People's Party," according to Commander ROCKWELL.

On August 25, 1967, GEORGE LINCOLN ROCKWELL was assassinated in Arlington, Virginia, near the ANP Headquarters Building. The August 28, 1967, issue of the "Northern Virginia Sun," a daily newspaper published at Arlington, Virginia, stated that [redacted] after ROCKWELL'S assassination.

The above source also advised that the National Office of the NSRP is located at Augusta, Georgia, and the Chicago branch of the NSRP subscribes to the policies of the National Office of the NSRP. The Chicago branch of the NSRP believes that there should not be race mixing between whites and Negroes and that Negroes in the United States by conducting demonstrations and causing riots are causing a breakdown of law and order in the United States. The NSRP believes that the Jews and the Negroes should be exposed in their attempts to have integration between whites and Negroes.

A second source advised on January 17, 1967, the Chicago branch of the NSRP was bankrupt and unable to pay rent for premises at 2237 North Western Avenue, Chicago. This source advised on March 3, 1967, Chicago branch NSRP vacated premises at 2237 North Western Avenue and ceased to function as an organization on March 1, 1967. On March 1, 1967, according to source, members agreed to remain in contact with each other until such time as they could reorganize NSRP at Chicago.

On July 12, 1967, the second source advised the NSRP does not have a headquarters at Chicago; however, members have maintained contact with each other and plan to reactivate the group if civil rights demonstrations commence in Chicago.

NATIONAL STATES RIGHTS PARTY (NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of Klan-type organizations and notorious anti-Semites.

Issue No. 19, dated June, 1960, of "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

FIGHTING AMERICAN NATIONALISTS

On February 23, 1961, GEORGE LINCOLN ROCKWELL, leader of the American Nazi Party (ANP), advised Special Agents of the Federal Bureau of Investigation that the Fighting American Nationalists (FAN) was organized by [redacted] as an anti-communist organization. ROCKWELL said FAN was organized in September, 1960, and it is a separate and distinct group from ANP, but members of FAN are "frustrated Nazis" who do not like to wear the swastika or be associated with the principles of ADOLPH HITLER.

ROCKWELL stated individuals have expressed an interest in the FAN and since FAN is in consort with and guided by the ANP, these individuals soon realize the use of the swastika is the best method in getting recognition in their fight against communism. Soon these individuals join the ANP, ROCKWELL said.

ROCKWELL continued there are three members of the FAN in Washington, D.C.: [redacted]
[redacted] and [redacted]

A source advised on February 17, 1961, that in talking to [redacted] ANP, [redacted] stated there is no legal connection between FAN and ANP, but FAN was organized under the guidance of ROCKWELL and it is used as a front group dominated by the principles and objectives of the ANP and looks to GEORGE LINCOLN ROCKWELL as its leader.
